

**REMARKS**

Pursuant to a Request for Continued Examination (RCE) filed herewith, Applicants respectfully request reconsideration.

In this amendment, claim 12 has been amended to substantially adopt the Examiner's amendment indicated in the Notice of Allowance mailed December 17, 2003. Applicants wish to respectfully point out, however, that the Examiner's amendment was not adopted *in toto*; in particular, Applicants believe that it is only necessary for claim 12 to recite "a first dimension" to address any indefiniteness issues in the claims depending from claim 12.

Additionally, dependent claims 25-27 and 51-53 have been amended to correct a minor informality noted during a review of the claims upon receipt of the December 17, 2003 Notice of Allowance.

Finally, Applicants note that a Revocation of Prior Powers and New Power of Attorney was filed in this application on October 6, 2003. Accordingly, Applicants respectfully request that further correspondence in this application be directed to the Applicants new representatives at the address indicated below.
